Moose picked me! From the moment I met him we were destined to be together. He embodies kindness and a beautiful temperament for a stud dog. His athleticism is remarkable and is as sound as they come. He can get out and romp in the snow or curl up in your lap. What a love he is!

Ruby is my heart and soul. She was my first real show dog, my first Grand Champion and had my first litter. She embodied royalty and possessed a majestic beauty when she was in the ring. She had 2 wonderful litters of beautiful puppies which only strengthened our bond. Her love of participating, even temperament and spirit have always been a pleasure to be around.
